Project: Sidewalk clearing

Thank you for the opportunity to quote your snowplowing needs. This quotation covers 11-1-2019 through 3-31-2020. The following describes your plowing program.

1. Sidewalk over bridge on Airport Road (500') - Snow is to be removed from sidewalks and bridge and piled as directed by twp with use of skid steer. Work is to be done when snow reaches 4".  
Price= \$ 60
2. Sidewalk from Maynard road to GCO parking lot (900') – Sidewalk is to be cleared when snow reaches 4". We will use combination of skid steer, Kubota RTV with V-blade, and a broom machine to keep clean.  
Price=\$70

(Option)

3. If business in Blackman Twp fail to clean sidewalks and would like us to clean them we could send our Cat skid steer or Kubota out at a rate of \$90 per hour to clear walks.

Thank you,
